To Whom It May Concern:

This letter is to serve as a referral for Robin Cilimberg of Virginia Business Systems. Robin has been extremely helpful to Department of Medical Assistance Services (DMAS) in lowering our overall cost on copier rentals. She was able to assist us by taking the time to check usage amounts and recommending the correct copiers for each department

We are extremely satisfied with the copiers and service we receive and look forward to continued business with Robin and Virginia Business Systems.

A handwritten signature in black ink that reads "Barbara Wilson". The signature is fluid and cursive, with a long horizontal flourish extending to the left.
