To whom it may concern:

I have known Meghan Rucker for 3 years. Her attention to detail and customer service were qualities that our office was searching for in a vendor and she was the main reason we made the transition from Xerox to Konica photocopiers. On many occasions she was able to resolve any concerns we may have had promptly and she always made our office feel appreciated. At all times I have found Meghan to be dependable, reliable, hard-working, and courteous.

I'm happy to provide further information if required.

Sincerely,

Joseph Hunter Allen
