KONICA MINOLTA bizhub 4701i Monochrome Printer

The latest addition to the new generation of the bizhub A4 series, the bizhub 4701i monochrome single function printer. The updated A4 model maintains the company's objective to create value, ease and convenience for our customers while also taking into consideration a changed work environment with more people working from home. The A4 SFP incorporates features that are simple enough for use at home yet still offer advanced features for a professional office setup. The bizhub 4701i replaces the 4702P. The specifications of the 4701i will be essentially the same as the C4000i/C3300i, except for the speed and monochrome printing.

Our Mission is to do the best for our clients and to completely satisfy them by providing quality business systems and superior services.

To accomplish this, we dedicate ourselves to:

- Training our people and providing them with the resources they need to advance their skills and knowledge.
- Maintaining an environment that values and encourages personal and professional growth.
- Upholding the highest ethical standards in all of our corporate relationships, with our clients and with each other.
- Earning a financial return that ensures future growth and long-term stability.
- Reaching a balance between business and the environment, aspiring to be environmentally conscious and use sustainable principles in all aspects of our business.

And to be contributing members of the communities we serve.

This is our mission.
This is our commitment.

The logo for Virginia Business Systems features the word "Virginia" in a large, white, serif font, with a stylized white arrow curving around the top right of the letter "i". Below "Virginia" is the phrase "Business Systems" in a smaller, white, sans-serif font. A thin white horizontal line is positioned directly beneath "Business Systems".
