KONICA MINOLTA bizhub 4700i Monochrome Printer

The latest addition to the new generation of the bizhub A4 series, the bizhub 4700i monochrome single function printer. The updated A4 model maintains the company's objective to create value, ease and convenience for our customers while also taking into consideration a changed work environment with more people working from home. The A4 SFP incorporates features that are simple enough for use at home yet still offer advanced features for a professional office setup. The bizhub 4700i replaces the 4702P. The specifications of the 4700i will be essentially the same as the C4000i/C3300i, except for the speed and monochrome printing.

HP PageWide XL 4600 Printer

Do the work of two printers with one—faster and lower cost than LED. Choose a printer or multifunction device that allows you to consolidate into a single device for all your monochrome and color printing/scanning needs. Produce excellent technical prints with vivid color, crisp lines and smooth grayscales that beat LED.
