**Virginia Business Systems
Announces Monica Wilmore's Appointment to
Cytracom's Partner Advisory Council**

Richmond, VA – Virginia Business Systems (VBS) of Richmond, VA has announced that Monica Wilmore has been selected as a member of Cytracom's inaugural Partner Advisory Council (PAC). Monica Wilmore is the Director of IT Solutions and Services at VBS. Cytracom is a VBS vendor partner for Managed Service and IT Solutions to deliver cloud-based voice and messaging. The Cytracom PAC's mission is to better incorporate partner feedback into its product roadmap and partner program.

"Cytracom PAC members represent some of the country's most strategic partners. Ms. Wilmore was selected based on her industry and product expertise, partner advocacy and desire to drive growth for clients," said Jim Dotter, President of Virginia Business Systems. "We are proud of her accomplishments and knowledge and know that she brings all of that together to deliver Fast Forward Office Technology to VBS clients."

Ms. Wilmore continued "Where we work, how we collaborate and how we communicate has changed and many telephony systems are lacking features required to meet the needs of today's business. VBS, and our partnership with Cytracom, has allowed us to provide our clients with a reliable cloud-based telephony system leveraging features that empower their teams with communications that drive productivity."

Virginia Business Systems has developed and established critical MSP solutions for businesses large and small to improve efficient, cost-effective and secure communications throughout the office environment. VBS, through Ms. Wilmore and her VBS team, can have impact in the direction of office communications to benefit business's and their office technology.
